Join Us As We Pray For:

Our Heart

Read Matthew 18:21-35. In answer to Peter's question, some translations have Jesus say to forgive a person 7x70 times. In other words the 491st does not need to be forgiven. Right? Wrong! We want to establish a limit on the call to forgive others. But if we have a maximum, even a generously high one, we miss Jesus' point—to develop a lifestyle of forgiveness. Forgiveness sets free not only the one who has offended, but even more importantly, the one who has been offended. It is a gift from God to us and hopefully to others.
