

## The Gideons International

*Winning others for the Lord Jesus Christ, through personal witnessing by individual Gideons and distribution of the Bible.*

To date, Gideons have placed over two billion Scriptures around the world. There are also Gideon Camps in 200 countries around the world that distribute the Word in 99 different languages. Here is a story about a man in prison who was impacted by a New Testament:

“He was in a county prison in a holding area with four other men, and the only thing they had to read was a New Testament from the Gideons. Because they had nothing to do and nothing else to read, the five of them would take turns reading verses. Then, they would discuss those Scriptures.”

“Later when they left that room, they left the New Testament there for the next group of men to have. He said that one little New Testament turned a lot of men onto the Lord.” —Eva, Souderton PA.

The majority of Gideons live and serve in their local communities, making them very effective and efficient because they know the local language and customs. They also know where the hotels, schools, prisons, hospitals and other locations where Bibles and New Testaments need to be distributed. Sometimes, they're able to establish local groups of Gideons in countries where traditional missionaries aren't allowed to go.

*All around the globe, Gideons are handing out pocket Testaments to anyone willing to accept them.*
