

### Young Life-Central Ohio

*Young Life's mission is to introduce adolescents to Jesus Christ and help them grow in their faith.*

The following is a story about a couple of kids that have been impacted by Young Life. They first stumbled into Upper Arlington's Club in February. Within a short time, they felt welcomed by the other students and they loved coming to club and being part of Young Life.

When approached about coming to camp both kids said, "There was no way they were going to camp." However, through the power of prayer and the persistence of a couple of campaigner kids, both decided to go to camp at Windy Gap in North Carolina. At camp, it was amazing to see them open up and share the brokenness that existed in their lives. During that week, the message of Jesus dying on the cross began to transform their hearts as they realized the desperate need they had for a Savior.

After camp, both kids didn't miss a single cabin time for two weeks and both made life changes because of the message of Jesus Christ. This fall, one of the kids committed his life to Christ at Young Life's Fall Weekend. He and a group of his friends have begun pursuing Jesus together in a discipleship group and it has been incredible to witness.
