WAYS TO PRAY FOR IFI

- Students and hosts will find one another at the airport. For a warm welcome; meaningful conversations between hosts and students
- New and strong connections with OSU International student group leaders so that many new students will hear about IFI before they arrive
- Every student who desires will have a friendship with a follower of Jesus while in the U.S.
- Students will experience the love of God through the body of Christ
- Many will become disciples of Jesus and become disciplemakers who impact their nations for Christ
- The following events: Welcome Ice Cream Social on 8/10, Indian Independence Day on 8/15, and Welcome Party on 8/20.
