

# Lutheran Church of South Sudan

The people of the LCSS are currently living as refugees in several neighboring countries, with its headquarters in Gambela, Ethiopia. We support their seminary, nursing school, and women's programs. Please use these prayer prompts on the back to support our brothers and sisters across the globe.

## Pray For:

- God's peace over the nation and for all conflict to end.
- God's provision in finances, people, and materials for the LCSS ministries.
- Spiritual protection over all the refugee communities.
- Many to come to faith in Jesus Christ as their Savior.
- Restoration and healing for our broken people.
- God's blessings on Trinity Lutheran Seminary & College, for professors and students.
- Boldness, safety, and wisdom for all LCSS leadership to hear God's voice and to stay in the center of God's will.
- The widows to find hope and ability to provide for their children.
