Please consider praying for all of our Next Gen Ministries this summer, and invite a friend, neighbor, or family member to join in on the fun! Here's how you can pray:

- Pray that every student encounters Jesus and is transformed by the power of the gospel.
- Pray for safety and fun for each and every event.
- Pray that parents would find rest and find community through these ministries.
- Pray for every volunteer, that they would be filled up as much as they pour out.
- Pray for our Next Gen staff, for strength and energy to put on each event as we disciple students.
